Mrs. Blanche Headley, deputy registrar of automobiles. Thursday opened her new office in the mayor's office at City Hall. The place for the office was changed from council chamber to the mayor's office in a

It is estimated that several hundred, if not over a thousand, motorists will not be allowed to drive their cars or trucks tomorrow as they have not yet secured their tags.

Rabbi Who Declared Jesus a Man,

Rabbi Stephen S. Wise.

Controversy of Jewish leaders over declaration of Rabbi Stephen S. Wise, New York, that Jesus was not a myth but a man, and that Jews must embrace his teachings, is foremost topic in Jewish circles. You may have a tree in your farden with truit on it, while the next neighbor has the same kind of tree in blossom.

The Malays and even the aboriginals have their homes on the banks of the rivers or on the sea coast, with he result that the bulk of the poninsula has never been trodlen by the foot of man. It is still the home of tigers, elephants, tapiis, snakes 36 feet long, insects more than a foot long, moths a foot wide and 20,000 wild women.

Divorce Is Simple "The firls put up their hair at the age of three, and it is considered

beautiful there to possess a yellow complexion. Brides have the r teeth filed before marriage. The head of the family is never the wife or the husband, but the wife's eldest brother and a married couple nearly always live with the mother-in-law. Both parties can divorce one another by saving three times in the resence of witnesses, 'I divorce thee.

A THE STATE

"The New Commandment" at the State tonight is a modern society melodramatic triumph that is on the list of best pictures of the season.

Blanche Sweet, Ben Lyon, Holbrook BHnn, George Cooper, Pedro De Cor-dova, Diana Kane, Effle Shannon, Dorothy Cummings and many others are

in the cast. "Mannequin." Fannie Hurst's story of American home life in a big city which won Liberty Magazine's \$500 000 prize for the best story to be pro duced as a Paramount picture, comes to the State Friday. Produced by James Cruze, who made 'The Covered Wagon,' "Beggar on Horseback' and "The Pony Express," the picture features Alice Joyce, Warner Baxter, Delores Costello and ZaSu Pitts in the principal roles in the cast.

"Mannequin" abounds in gripping and spectacular scenes. One is the colorful beautiful scene in the gown shop of an exclusive store, where the mennequins, one of whom is Dolores Costello, display the most beautiful fashions of the season.

County Pays Nearly \$4,000 in Claims; Ninety Sheep Were Injured.

SCIENCE HASTENS

Good soil, like Rome, isn't built in a day.

"But a half century is no longer required to change the productive power of the soil from 50 to 100 bush. els of corn, or from 200 to 400 bushels of potatoes," says Prof. Firman E. Bear, head of the soils depart-ment at the Ohio State University.

Writing on "The Science of Crop Growing" in the January issue of imely Soil opics, now off the prees for free distribution by the agricultural college extension service of the Ohio State university, Prof. Bear speaks of "an art and a science of agriculture."

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Crcomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persis-tent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creo-

BAKED ORANGES Did you ever taste baked oranges? Here is the recipe, so if you feel in an experimental mood try it on your family or friends. Cover one dozen even size oranges with cold water and let stand overnight. Drain and wipe dry. Cut a slice from the blossom and of each orange and crowd into it as much sugar as it will hold. Place prepared oranges in a deep earthen or enamel ware baking dish. Place on each orange a small piece of butter. Fill baking dish to within one quarter of the top with cold water. Cover dish and set in a slow oven, about 220 degrees Fahrenheit. Bake slowly until skin of the orange can be easily pierced. Place orange on a hot dish and stir into the remaining liquid two level tablespoons of cornstarch wet to a paste with cold water. Add one tablespoon of butter. Stir and cook until smooth and thick. Use as sauce for the oranges. These oranges can be kept for three or four days and reheated as needed. For a dessert place a half marshmallow on top of each orange and

brown lightly in the oven. LATEST IN STYLE FOR WOMEN
